# The Natural State Bears

On a mission of community service, fellowship, fun and lasting

It the mission of The Natural State Bears to provide opportunities for its member to socialize in a safe hospitable setting: To Project a positive image and increase awareness of the bear subculture: and to contribute to the betterment of the gay community and society as a whole. The Board and membership of The Natural State Bears recognizes and supports the great diversity within the bears community. We also feel that it is important to present a positive image to the gay community and the community at large. For the reason the member and guest should be cognizant of the sensibilities of other
